**Program Overview**

*JA Job Shadow* prepares students to be entrepreneurial thinkers in their approach to work. Students will acquire and apply the skills needed in demanding and ever-changing workplaces.

Following participation in the program, students will be able to:

- Recognize career clusters and potential job positions and understand the importance of researching the requirements needed to earn a position.
- Develop job-hunting tools, such as networking, resumes, and interviewing skills.
- Identify the next steps needed in their personal career preparation.

**Session Overviews and Objectives**

<table>
<thead>
<tr>
<th>Session One: Before the Job Hunt</th>
<th>Objectives</th>
</tr>
</thead>
</table>
| Students are introduced to the *JA Job Shadow* program and the Seven Steps to Get Hired and Succeed. Through a close examination of specific skills and career clusters, they learn the key factors to investigate in career planning: skills, interest, work priorities, and job outlook. | Students will be able to:  
- Recognize career clusters that match their skills and interest.  
- Demonstrate self-awareness of their soft skills in work scenarios. |

<tr>
<th>Session Two: Perfect Match</th>
<th>Objectives</th>
</tr>
</thead>
</table>
| Students review the Seven Steps to Get Hired and Succeed and analyze job-hunting skills. They then participate in mock interviews to prepare for the Job Shadow Challenge at the site visit. | Students will be able to:  
- Review methods of identifying job openings.  
- Demonstrate professional interviewing skills.  
- Express expectations for the upcoming site visit. |

<table>
<thead>
<tr>
<th>Session Three: Next Steps</th>
<th>Objectives</th>
</tr>
</thead>
</table>
| Students reflect on what they learned before and during the site visit, and they practice business communication by composing a thank-you note. They then create one of four career-preparation tools: a career assessment, an elevator pitch, a resume, or an infographic profile. | Students will be able to:  
- Evaluate personal priorities based on their site-visit experience.  
- Showcase identified skills.  
- Apply program knowledge to at least one of four career-preparation tools—career assessment, elevator pitch, resume, or infographic profile. |
Program Basics
- Includes three sessions plus a Job Shadow site visit recommended for high school students.
- Average time for each session is 45 minutes and includes a site-visit experience of at least three hours.
- Materials are downloadable and include detailed session plans for the site-coordinator, students, and teacher.
- Provides instructions to begin using Kuder® Navigator. Kuder Navigator, provided by Junior Achievement, is an online educational and career planning system designed primarily for today’s middle school and high school students.
- Session-specific, student-friendly downloads increase student interaction and emphasize JA’s experiential approach to learning.
- Correlates well to state social studies and English standards, as well as to the Common Core State Standards in English/Language Arts.
